Countries like Venezuela are emptying their prisons, their mental institutions, and sending them to America.

The White House is facilitating this invasion. They're doing it on purpose. Joe Biden could stop it — but he hasn't.

When can we expect a congressional investigation into this matter?

MAJOR ACCOMPLISHMENTS  
of the Biden-Harris Administration

## TACKLED INFLATION &amp; LOWERED COSTS

Allowed Medicare to negotiate lower drug prices, capped insulin at \$35 for seniors, and helped millions save on health insurance. Cracked down on junk fees in event tickets, banking, health care, and apartments — saving Americans billions. Helped over 22 million households save on internet.

## TACKLED THE CLIMATE CRISIS

Created 210,000 new clean energy jobs in just over a year. Protected millions of acres of lands and waters. Signed an Executive Order to advance environmental justice. Launched the American Climate Corps. Finalized a rule to cut methane pollution.

## INVESTED IN AMERICA &amp; CREATED GOOD JOBS

Announced 33,000 infrastructure projects across America. Invested in roads and bridges, improved airports, high-speed internet, clean water, and reliable transit and rail. Sustained an economic recovery that created over 2.5 million jobs, including nearly 300,000 construction jobs.

## PROTECTED ACCESS TO REPRODUCTIVE HEALTH CARE

Took action to protect access to emergency medical care, abortion, and contraception. Strengthened privacy protections for patients and doctors. Defended in court women's ability to access medication abortion.

## MADE AMERICA SAFER FROM GUN VIOLENCE

Created the first-ever White House Office of Gun Violence Prevention in American history. Funded an additional 14,000 school-based mental health professionals. Announced new executive actions to keep guns out of dangerous hands and dangerous weapons off our streets.

## MADE HIGHER EDUCATION MORE AFFORDABLE

Brought the total student debt cancellation to \$122 billion for 3.6 million Americans through various actions. Launched the most affordable repayment plan ever — the SAVE Plan. Helped over 700,000 people access Public Service Loan Forgiveness. Invested \$7 billion in HBCUs.

## STRENGTHENED DEMOCRACY AT HOME AND ABROAD

Stood up for our allies and partners in Israel, Ukraine, and across the globe — and strengthened our alliances around the world. Spoke out against discrimination, racism, anti-LGBTQ+ hate. Pushed for stronger voting rights.

## CONFIRMED HIGHLY QUALIFIED JUDGES

On President Biden's watch, the Senate confirmed 164 life-senior federal judges. Confirmed a record-breaking number of Black, Hispanic, and AANHPI judges.

Thanks to TRUMP!! He used the DED to give them legal status in the U.S.

President Donald Trump on Tuesday announced he will offer Venezuelan exiles protection from deportation, a move he has considered for years but refused to do until his last full day in office.

Trump is using the little-known Deferred Enforced Departure program, or DED, to offer temporary legal status to Venezuelans fleeing the humanitarian crisis brought on by Nicolás Maduro's regime. DED, similar to Temporary Protected Status or TPS, protects recipients from deportation and allows them to get work permits. However, it is granted directly by the president instead of the Department of Homeland Security.
